Welcome to our practice! We are genuinely pleased that you have chosen us for your dental care. Our practice realizes the importance of referrals and we value them greatly. We are always excited to see new smiles coming through our door!

At your first appointment, your doctor and hygienist will complete a comprehensive oral examination. This includes a complete review of your medical and dental history, all necessary x-rays and intraoral photos, study models (if necessary), oral cancer screening, periodontal health evaluation and examination of your teeth and soft tissues. Following this exam, your dentist and hygienist will discuss their findings with you, develop a treatment plan that you are comfortable with, and then you will be scheduled according to your needs.

Please be prepared for your appointment by completing the new patient registration forms, bring your photo ID and be prepared to pay at time of service. If you have dental insurance, please bring that information with you as well. Although we do not submit directly to your insurance, we will provide you with the completed paperwork for you to be directly reimbursed.

We ask that you make every effort to keep your appointments. Missing an appointment disrupts proper sequencing of your care and delays completion of your treatment. If you need to reschedule your appointments, please call us at least 24 hours prior to your visit.

We very much appreciate your confidence in us and look forward to meeting you!

Sincerely,

The Maplewood Dental Arts Team
